## National Affairs

To enhance and better protect consumer rights, the government of India amended the Legal Metrology, called the Legal Metrology Amendment Rules 2021, the GoI amended the rules through the Department of Affairs under the Ministry of Consumer Affairs. The ministry simplified the declaration of MRP and made it necessary for all pre-packed commodities to have MRP in Indian currency and declare it inclusive of all taxes. The revised rule also states that all pre-packed commodities must have a declaration of date of manufacture, the amendments will come into effect from 1st April 2022.

- A study by International Maritime Organization discovered that in order to zero the emissions and control the effects of GHG all international shipping must cut down emissions by a 3rd in this decade and make great efforts towards zero emission before 2050, the study is based on the concept of carbon budgets which helps set limits on cumulative carbon dioxide emissions necessary to help global warming within a given temperature target. The IMO plans to discuss new strategies that can help get shipping emissions to zero by 2050.
